DECLARATION

I, CHIRAG M, 6th Semester student of Computer Science and Engineering, Jyothy Institute of Technology, Bangalore - 560 082, declare that the Mini Project of Mobile Application Development Lab (18CSMP68) is successfully completed.

This report is submitted in partial fulfillment of the requirements for award of Bachelor Degree in Computer Science and Engineering, during the academic year 2021-2022.

Date : 18-07-2022

Place : Bangalore

USN : 1JT19CS019

Name : CHIRAG M

A C K N O W L E D G E M E N T

This Mini Project is a result of accumulated guidance, direction and support of several important persons. I take this opportunity to express my gratitude to all, who have helped us to complete the Mini Project.

I express our sincere thanks to our Principal Dr K. Gopalakrishna, for providing us adequate facilities to undertake this Mini Project.

I would like to thank Dr. Prabhanjan. S, Head of Dept - CSE, for providing us an opportunity to carry out Mini Project and for his valuable guidance and support.

I would like to thank, Prof. Nagaraj. A, Faculty In Charge, for guiding us during the period of Mini Project.

I would like to thank all the faculty members of CSE department for the support extended during the course of Mini Project.

I would like to thank the non-teaching members of the Dept of CSE, for helping us during the Mini Project.

Last but not the least, I would like to thank our parents and friends without whose constant help, the completion of Mini Project would have not been possible.

CHIRAG M [1JT19CS019]

Table of Contents

Sr No	Description	Page No
01	Problem statement with input and output diagram	07
02	XML files code	08-15
03	Java files code	16-23
04	Screen shots	24-29

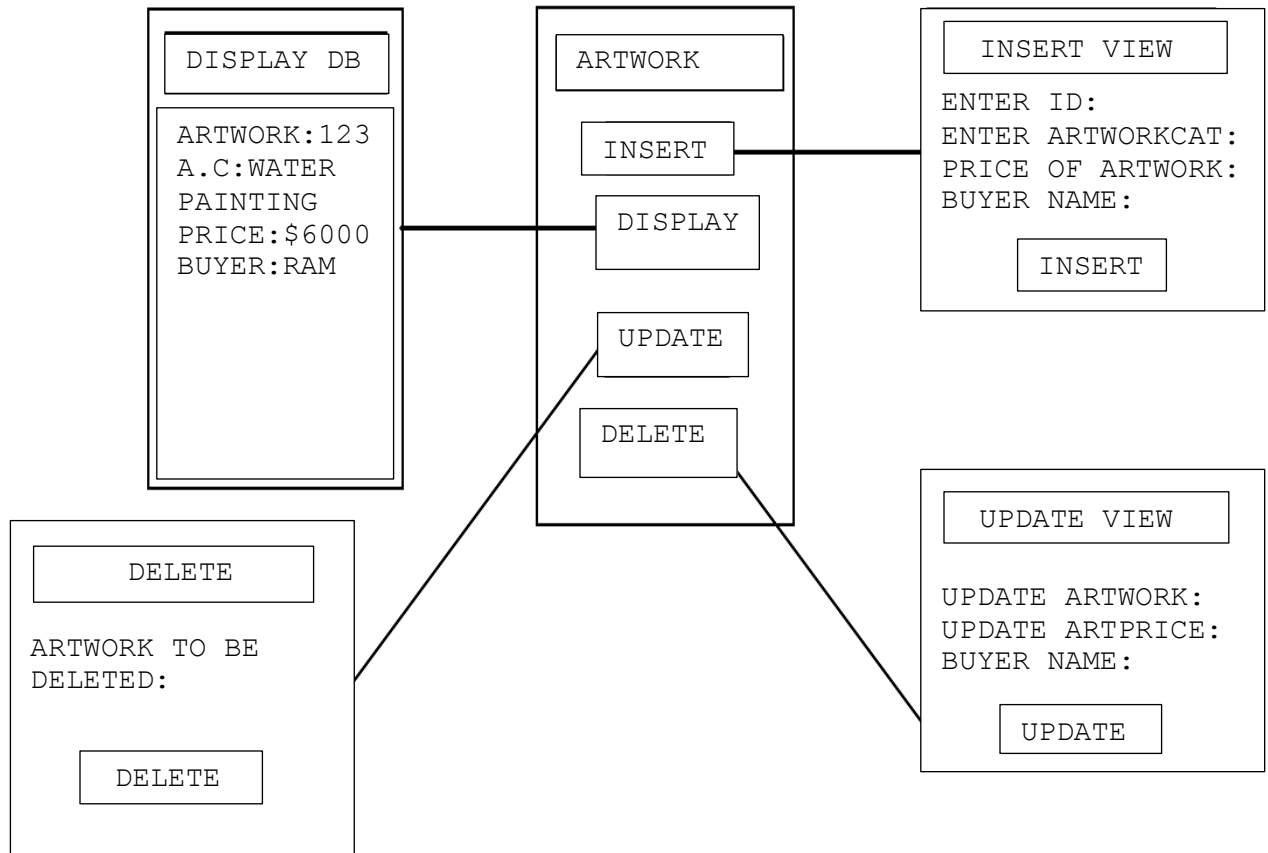

CHAPTER 1

**Problem statement
with
input and output diagram**

Problem Statement:

Develop an android application – Student Result management application that helps the user to manage by adding a Student ID, delete a ID, search a ID update and display all the current available Student Results in form of a list.

Input and Output Diagram:

CHAPTER 2
